WINE NOTES

Picardy Chardonnay 2004 (Pemberton, Western Australia)

Companion 2006

5 stars The Penguin Good Australian Wine Guide

96 pts, 100 Top Release Wines, Gourmet Traveller
Wine Oct/Nov 2005

Creamy, viscous texture, great complexity of stone fruit, marzipan and spicy oak. Rich, long, grows in the glass.

Forget about those flabby, over-oaked Chards of the 90's. Picardy's Chardonnays are made with true Burgundian flair resulting in a steely, well-structured wine with a good balance of floral and fine grassy characters.
